Accessibility

Community Action Network for Drugfree Lifestyle Empowerment, Inc. nonprofit (CANDLE, Inc.) is committed to ensuring digital accessibility for persons with disabilities. We are committed to improving the user experience for everyone and applying relevant accessibility standards.

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities.

We welcome your feedback on the design for accessibility of CANDLE, Inc.'s website. Please let us know if you encounter accessibility barriers:

- **Contact: RealityTour@candleinc.org, Phone: 724-679-1788 CANDLE, Inc., 100 Brugh   Ave., Butler, PA 16001**

We try to respond to feedback within 5 days.

Our current website was launched 2021 under the guidance and creativity of ModernizeMySite.com Despite our best efforts to work to ensure accessibility, there may be some limitations you encounter when on the site. We invite your comments on any features you find lacking.

This Accessibility Statement created on 3/31/22 and approved by the CANDLE, Inc. Board of Directors

ACCESSIBILITY TIPS

How to zoom text and images on your computer screen

This will let you maximize what you see on your screen

 How to change fonts in the Chrome browser

This will allow you to change the font style and size for better readability.

 Visual Aid: NVDA for Windows   VoiceOver for Mac

How to use accessibility tools on smartphones:

iOS and Android have tools to help you access the web with more features continually being developed. Your cell phone provider may assist you in locating features.
Smartphone screenreaders: VoiceOver is a built-in for iOS   TalkBack is the Android version.

"Zoom", "Magnifier", "Invert Colors", "Color Filters", and "Reduce White Point" are features to explore.
